

# DIGITAL STUDIO

**Creative Crucible of Films, Photography & beyond...**

## PROFILE

### Business Videos

With 10+ years of experience and expertise in business videos for corporate entities and industrial sectors combined with our knowledge of VFX (Special Effects), audio and video editing, we deliver full 4K & High Definition (HD) videos to our clients spread all across India.

Our in-house equipment and team of script writer, director and editor enables us to deliver on-time high impact videos.

#### Services:

- ➡ Corporate films
- ➡ Industrial videos
- ➡ Aerial Videos
- ➡ 360 Videos

### Photography & Beyond...

Equipped with professional grade digital camera, lenses and accessories, we have successfully completed 200+ projects across India and overseas.

In addition to regular photography, we implement projects involving aerial as well as 360 degree shoots to achieve international quality standards; that are used for brochures, exhibitions and online platforms.

#### Services:

- ➡ Industrial Photography
- ➡ Corporate Photography
- ➡ Brochure Designing
- ➡ Exhibition Panels
